Lillian de Lissa Nursery School is an inclusive setting where every child is valued and diversity celebrated. We work with our families and local community to provide a safe and exciting environment for children to grow, play and learn in.

We offer 15 hours of free high quality educational provision to all children aged 3-4. We provide longer hours for fee paying families & those eligible for 30 hr Government funding.

A breakfast and afterschool club is available to those who need it.

Eligible 2 year olds can also access free nursery provision.

Inside and outside learning is equally important in our school.

We are committed to safeguarding and promoting the welfare of all children.

We want all children to be:
