## Hello everyone!

What an exciting week we're having at Lillian de Lissa!

It's science week and the nursery scientists have been hard at work predicting, testing and investigating.

We revisited the *Gingerbread Man* and we wondered - why did the *Gingerbread Man* not want to get wet? Because he wanted to stay dry he accepted help from the Fox to get him across the water - and we all know how that ended!

Snip snap, crunch, munch!

So - what would happen if we put a *Gingerbread Man* in a bowl of water at nursery?

Ask your child!

Clue - what would happen if you dipped a biscuit into a cup of tea?

This made us think of these words:

Break

Mushy

Soggy

Crumble

Yucky!

Soaked

Wet  
And the very scientific:  
Dissolve.

Other activities have included:  
Making a volcano.  
Finding spiders, ants and snails.  
Making playdough

We have been so busy!  
Love from the Lillian de Lissa Scientists.
