We are both working together to ensure the very best for our children, families and the local community. Come and say hello to us both when you see us in school. We love to talk to our families!

There is a new child development course for parents starting soon. If you want to find out more come to the community room on Tuesday 14th February 10.00am-11.30am.

Early Help and Family Support

If you need help with accessing food banks, benefits, housing, finances, counselling, parenting courses, English classes or adult education please ask to see Mrs Sally Appadu. She can make an early help referral. There are many agencies that can help families at the moment in Birmingham.

You can also access Family Support by phoning Doddington Children's Centre on 0121 477 6440. You can leave a message with the receptionist and a duty family support worker will phone back. They will phone you back on the same day between 12noon and 4.00pm.

Attendance Matters

We understand that children are unwell sometimes but it is also important for us to promote good attendance at nursery.

The reasons for children to attend regularly at their early years setting are to support their learning and development and to make sure that children are kept safe. It is also important that children's wellbeing is promoted and they do not miss out on their entitlements and opportunities.

Children who have achieved 80% or above for their attendance will be awarded a certificate at the end of the spring term.
