Dear Parents/ Carers,

I am wrting to inform you that we are changing catering providers from the summer term. This will commence on Tuesday 18th April 2023. Our new catering provider will be NN Caterers. They are a family run catering company who specialise in nursery catering. They will cater for all dietary requirements and any known allergies and are halal accredited.

I am also including the new menus so you are familiar with them.

Thank you for continued understanding and support.

Yours faithfully,
